

# AR15 Cleaning Clinic

## Clean-Inspect-Repair

### Maintain Your Firearm

The Hyde Syte Tactic's AR15 Cleaning Clinic is here! Register now for this 2.5 hour session of dismantling, inspecting and cleaning your AR15, AR10 or M4. This clinic has been designed to provide a comfortable environment for anyone who is interested in the maintenance and familiarization of their firearm. As a 30 year military veteran in special operations and 17 years on a full time SWAT team, Trevor DeBoer will provide insight, cleaning equipment and assistance in each phase of this clinic. Whether a novice or experienced shooter, this clinic will provide a fun team environment where we can all prepare our AR's for self- defense, sport or for the hunt. Cleaning supplies will be provided but students are welcome to bring their own. Hyde Syte also has kits and supplies available for purchase.

\* No live ammunition will be allowed in the cleaning room
