The Hyde Syte Ballistic Shield Course is set up for Law Enforcement Patrol and SWAT.

This comprehensive course will provide the basics of the Ballistic Shield and will highlight movement and protecting the shield operator as well as the team. Officers will understand the methodology of shield operations and how to properly shoot from its platform. Instructed by Trevor DeBoer, with 29 years of U.S. Army Special Operations experience. Trevor also brings forth 26 years of experience from the Milwaukee Police Department, 17 of which was with their full-time SWAT Team where he retired as a Sergeant and Team Leader.
