Hyde Syte Tactic's "Concealed Carry Operations Course" has been developed by professionals, for professionals. Carry techniques and tactics have been developed for agents, law enforcement and plain-clothes military personnel. Whether undercover or wearing non-standard uniform clothing, this course has been developed to provide professionals with the ability to safely carry, draw from concealed platforms and discreetly possess a lethal weapon system.

Don't just carry concealed, carry with confidence. Hyde Syte Tactics will provide training to increase survivability and help in Crafting Life's Defense.
