

LE- Concealed Carry Course

\$375

8am-4pm

Hyde Syte Tactic's "Concealed Carry Operations Course" has been developed by professionals, for professionals. Carry techniques and tactics have been developed for agents, law enforcement and plainclothes military personnel. Whether undercover or wearing nonstandard uniform clothing, this course has been developed to provide professionals with the ability to safely carry, draw from concealed platforms and discreetly possess a lethal weapon system. Don't just carry concealed, carry with confidence. Hyde Syte Tactics will provide training to increase survivability and help in Crafting Life's Defense.

Inclusions: Certificate of completion & Course Materials.

firearms and non-consumable ammunition is not included in the cost of this course.
