**Every local school will be given this beautiful Easter book.**

**For community schools we are providing one for every class from Year 1 to Year 4!**

We love to provide resources that children can come back to and use over and over again. These books will also come with worksheets and ideas produced by NISCU to help teachers as they unpack the Easter story.

Please help us. Your donations towards the cost, and prayers that they are used, mean so much.

Our church schools are also being given this hardback book which beautifully explains how there are glimpses of Jesus in the Old Testament. These match our video assemblies in January and February 2023. We are grateful to
