

Student

Membership

The Women in DSO® Student Membership is designed exclusively for future leaders pursuing a career in dentistry or related fields. As a student member, you'll gain early access to opportunities that will set you apart in your career. From learning directly from clinical leaders to building a network that lasts a lifetime, your membership with Women in DSO® is an investment in your future.

Member benefits include:

- The Women in DSO® Mentorship Program
- Education and training resources through the Knowledge Library
- Wellness Programming
- Career Match
- Clinician Leadership Development
- Access to Discussion Board and Membership Directory
- Leadership and Industry Development
- Scholarships to Women in DSO® events
