

The future is
bright.

The official nonprofit
organization supporting the
empowerment and growth of
women leaders in DSOs.

Women in DSO® was created to empower women in the DSO space and grow future women leaders of the industry.

Created in 2019 by Dr. Aman Kaur, Women in DSO®, is an organization committed to serve as a platform to advance and promote bright women leaders across the DSO space: leaders currently leading, managing, directing, supporting, and developing the industry's most progressive and high-performing dental practice groups.
