

Here's what the 2024 processor graduates are saying:

"I highly recommend this course for any meat processor who wants to improve their decision-making process, increase productivity, and become a better leader for their organization."

Mastermind Cohort Member,
Class of '2024

What You'll Get:

Clean Books

You'll learn how to organize your chart of accounts, create a balance sheet and cash flow statement and how to read them to make better decisions.

Financial and Operations Analysis

We'll review financial metrics with your own books, anonymized and strategize as a group.

A Peer Network

You'll be working with similar independent meat processors who you can rely on to help with tough issues.

1:1 Financial Coaching

You'll take advantage of 10 hours of 1:1 coaching with financial experts, because, as they say, the best disinfectant is sunlight.
