CASINO NIGHT AT THE FORT COOMBS ARMORY Apalachicola, Florida

Benefitting Apalachicola's Veterans Memorial Plaza

Thursday, October 22, 2026

6:00 pm – 9:30 pm

66 4th St. Apalachicola, FL 32320

www.ThreeServicemenStatueSouth.org

OUR FUNDRAISER

APALACHICOLA'S VETERANS MEMORIAL PLAZA "Walking Our Boys Home" Fundraiser

Details at: www.ThreeServicemenStatueSouth.org
Plaza address: 230 Market Street, Apalachicola, Florida
Mailing address: PO Box 333, Apalachicola FL 32329

1. Our iconic statue area desperately needs some intimate shaded seating options to encourage quiet visits with the "Bronze Boys".
2. Our plaza needs a large permanent shaded event pavilion where locals and visitors can gather, and static displays can be left out.
3. Extending our Circle of Freedom memorial brick walkway will improve visitor access.

THE GAMES

1. ROULETTE – *Most glamorous Game*

- a. Place a bet on a single number (35:1 odds)
- b. Split two numbers (17:1 odds)
- c. Play even chance: black or red, even or odd

2. MONEY WHEEL - *Easiest Game*

- a. This large vertical wheel is divided into sections marked with different dollar values and bonus sections. Place your bet on the number you think the wheel will stop on.
- b. Bets pay at the face value of the section

3. CRAPS TABLE – *Most energetic Game.*

- a. Two dice are used and thrown by the player or "shooter". The shooter and other players place bets on the table layout and win or lose according to the numbers thrown.
- b. The "Pass Line" is a common bet and means you bet on the shooter. The "Don't Pass" would be the opposite.

4. BLACKJACK – *Most popular Game*

- a. Each player is dealt two cards face-up while the dealer gets one card face-up and one face-down. The goal is simple, get your cards as close to 21 as possible without going over. Quick Tip: "Hit" on 11 and lower, "Stand" on 17 or higher.
- b. Face cards are worth 10 and the Ace can be 1 or 11. Ask for a "Hit" if you want another card. Say "Stand" if you are good. If you have two matching cards, you can "Split" them into two separate hands.

5. THREE CARD POKER – *Less Stress: 3 cards, 1 decision.*

- a. Each player places an Ante bet and receives three cards face-down. After looking at your cards simply decide to "Play" and match your Ante bet. "Fold" means you forfeit your Ante bet. You are playing against the dealer. Bonus payouts on good hands.
