

USNA Class of 1975

Gulf to Goat (G2G) Charity Bike Ride

The Great Class of 1975 has organized a charity bike ride - Gulf to Goat, or G2G - that will unite cycling classmates, family and friends in a quest for physical fitness, camaraderie, and charitable giving. By pedaling nearly 1200 miles through our great nation – from Apalachicola, FL to USNA – these riders will honor the legacy of USNA '75 while supporting causes close to a classmates' heart. The goal is to pedal with purpose, have fun, forge bonds, and make a meaningful difference one mile at a time.

The G2G charity bike ride will begin on Oct. 1, 2025, in Apalachicola and transit along the East Coast, arriving at the Bill the Goat statue inside Gate 1 on Oct. 22, 2025 to kick off 50th Reunion festivities. In addition to supporting the [Class of 1975 Reunion Class Project/Gift](#), our riders will be encouraging donations to the [Emily Whitehead Foundation](#), [Polycystic Kidney Disease Foundation](#), [Association for Frontotemporal Degeneration](#) and [Cystic Fibrosis Foundation](#). The riders themselves are covering the entire cost of the ride.
