

# Cornerstone Christian School

Laying a foundation for the future!

## **Our core values:**

When students are in our care, they are nurtured, encouraged, and taught in the most innovative ways. We are striving to lay a strong foundation, preparing them in every way to be successful, life-long learners. We are committed to providing each student with optimal learning opportunities so that they can reach their full academic and spiritual potential.

Toward this end we commit our available resources to ensure that:

- The word of God is shared with all of our students and is exemplified through all of our teachers.
- The staff works as a collaborative team.
- Each student experiences success, feels cared for, and is positive about their involvement at Cornerstone Christian School.
- Teachers are motivated, enthusiastic, and experience continued professional growth.
  
- We provide an environment which is orderly, safe, inviting, and stimulating.
  
- Our parental community feels welcomed and valued as full participants in their child's education.
- The leadership is supportive, encouraging, and fostering of positive changes.
