

Who we are...

Located in Burlington, NC, Buttermilk Creek Coyotes Archery is a USA Archery club with Junior Olympic Archery Development (JOAD) and Adult Archery programs.

With many traditional team sports being side-lined this year, we have decided to broaden our archery discipline to incorporate a 20 target outdoor 3D archery course to help kids stay active. To assist us with this new endeavor, we are excited to announce that we have joined the Scholastic 3D Archery (S3DA) program!

This is where you come in! 3D archery targets are not as cheap as paper targets, so we are reaching out to the community to help us purchase them. To show our appreciation, each target that you sponsor will be accompanied by a custom sign to display your company's logo! Alternatively, you can select for your sign to be dedicated in honor of a loved one. (See the back of this brochure for examples.)

Why Rinehart Targets?

Our club has chosen to use these highly detailed Rinehart Targets because they are extremely durable, allow for easy arrow removal, and are UV and weather resistant.

Please circle the target that you would like to sponsor. If you have no preference, simply circle the sponsorship level. We will leave it up to the kids to decide!
