

Please have your trick or treaters stop by the Village Hall on Halloween from 4:30pm-6pm to pick up their trick or treat bags to use while they go from house to house! Trick or treat hours are 5 PM – 7:30 PM

ATTENTION* THERE WILL BE A CURBSIDE PICK UP FOR CITY WIDE CLEAN UP***

Please have all items out before 6am on November 4, 2024. They may NOT complete all pickups until the end of day on November 5, 2024. You must have all items out on the morning of the 4th. If they go by your residence and have already picked up along that street, they'll not return for late set out. Your items may sit for a day before they make it to your residence but rest assured, they'll get them picked up if set out on time. Please see the back of this sheet for the guidelines to follow!

**10th Street Boat Ramp is still closed this fall for improvements. Please use the other boat ramp located at 5th Street for your launching and retrieval. You will see that the progress is moving along nicely, and we cannot wait to see it when it's all completed!!*

**The asphalt work on Sunset Drive, Ash Lane and Johnson Ct. has been completed. We will be working on putting rock and dirt alongside the asphalt.*

**Please remember to have vehicles moved off the streets and right-a-ways when the snow starts flying and accumulates. This will help those who snowplow and make the snow removal go smoothly. We do have an ordinance for right-a-ways when the snow accumulates, and vehicles could be ticketed or towed.*

**Our sewer department has gotten the walkway in at our lagoons and upgrades are being made.*

***Please remember to lock your vehicles, there has been an increase in break-ins into cars in the area. For any suspicious activity or break-ins please call 911.*

**You'll notice that the porta-pottys will be removed in the next few weeks from the parks for the winter.*

**Village office holiday hours – Thanksgiving we are closed Nov. 28th & 29th.*

Christmas we are closed Dec. 24th & 25th.

We hope you all enjoy the holidays and please stay safe.

Utility bills are sent out on the 25th of the month and due the next month on or before the 11th. If payment is not in the box on the 11th or the morning of the 12th your bill is considered late, and the 10% late fee will be added to the account for the water/sewer portion.

**We are still under a burn ban until further notice.*
