

SPECIAL NOTICE---IMPORTANT

Publishing and mailing our quarterly newsletter has taken a considerable increase in cost, it now costs about \$2.50 each. Since several of our membership use email, we could format an email version for members who want this option. Thus saving the \$2.50 cost of mailing a copy. Please indicate below if you would prefer this option for receiving your copy. THANKS

Contact Information Needed

There are still several Chapter #7 members that we do not have any contact information on, or their information is outdated. We will only use this information to occasionally contact you to inform you of upcoming Chapter meetings, Plow Days or other events. At no time will your contact information ever be sold or used for anything other than club purposes.
