We're not done yet, let's think about a few more things.

**We, as adults start to devalue our surroundings.
Are we forgetting the Cost of all the small stuff?**

- | | |
|-----------------------------------------|-----------------------------------|
| How did you get here today? | Do you have electricity? |
| Where did you stay the night? | Do you have water? |
| Did you get a ride? | Do you have warm water? |
| How much was your Car? | Do you have cable TV? |
| How much is the gas for your car? | How much do you pay for internet? |
| How much is your Car Insurance? | How much is your cell phone bill? |
| Do you keep the regular maintenance up? | Does someone pick up your trash? |
| Do you have a house payment? | Do you owe any Debt? |

THE SMALL STUFF REALLY ADDS UP

Now, please total how much money you really have on you?
