MENTAL HEALTH FOUNDATION

## Matched Donations!

HOPE Mental Health Foundation has been selected by the Huntsman Mental Health Foundation as a beneficiary of funding for mental health. At our Charity Dinner on October 22, 2022, The Huntsman Mental Health Foundation will be matching fundraising efforts dollar for dollar, up to \$100,000. We are excited and so grateful for the potential this event has to serve our community and provide mental health services to those seeking therapy but unable to afford it. Please join us in making our event a success! Together we can create a community where mental health is accessible to all.
