You will know it's us because we will be wearing green Pedal to the Pitch t-shirts and hanging out with our bikes, just pop over and say hi!

What to bring

-  **Helmet** - it is really important that we stay safe while riding. We are therefore asking all attendees to wear a helmet while riding with us
-  **Bright Clothing** - being visible is really important, so we recommend wearing bright clothing to be seen by cars, pedestrians and fellow cyclists
-  **Bike lights** - you may not need them on the way but for those cycling back, it is likely to be dark, make sure you have charged bike lights
-  **Bike locks** - we will be leaving our bikes at Tottenham Community Sports Centre. Make sure you bring locks for your bike, we recommend using two locks
-  **Appropriate clothing** - September weather is not predictable, be ready for a bit of rain and make sure you have enough clothes to keep you warm at the game
-  **Specialist items** - we will have a basic bike maintenance kit, but you will need to bring any specialist or bespoke equipment for your own bike

We will have a bottle of water and a snack for each participant, but feel free to bring your own. Please bear in mind that you are unable to bring in any bottles to the stadium.
