### Background and Brief

Jemma Stone set up the original business Jadstone Creative Learning as a sole trader in 2005 & worked this alongside her job as a Supply Teacher. In 2015, she combined her love of singing, songwriting & writing with a past, enriched career filled with experience of Teaching, Tutoring, Mentoring, Advocacy & Consulting since 2000. She studied from 1994 gaining 9 GCSE's, Business G.N.V.Q, A Level English Language/Literature & an AS Level in Music following onto achieving a BA Hons with QTS Studies in the Arts, qualifying as a Primary School Teacher in 2000 in addition to 20 years life and work experience across inner city and rural schools teaching in reception through to year 6. Current DBS held on update service.

### The Company

The company she runs, hosts an education, writing, music, health, wealth, wellness & wellbeing business all underneath one umbrella. With lived experience of hard, tough & difficult times, by showing a willingness to work, by keeping a positive mindset & a strong mental attitude, Jemma can suggest ways to improve personal circumstances & lives, helping people to reach their full, true potential; encouraging continuation in study, learning, developing life & social skills, apprenticeships & work experience. Flourish with passion. You can book her for the 'talk with me' sessions, mentoring or consultancy. Individually tailored sessions to suits age, ability, interests and personality and carefully drawn out learning journies that are client led and centred.
