Program Descriptions:

Option One (Homeschool with one day/week at CCA): Students enroll in self-choice high school program and work on individual coursework in a study hall for 3 hours (On-site academic proctor/advisor can provide academic support during these hours), participate in a World Watch discussion group, participate in multi-age course work (To be determined), lunch in cafeteria

Option Two (In School VLACS/Self-Selected program): Students enroll in NH Virtual Learning Academy Charter School (free to NH residents) or a self-selected program. Each day, students work on individual coursework for 3 hours/daily, participate in Project-Based Learning projects and/or volunteer in CCA classrooms, and participate in a World Watch discussion group on Tuesdays. Students may attend CCA Chapel on Wednesday mornings at 8:45 am, lunch in the cafeteria daily. Tutoring available by in-person proctor/advisor or online (if the self-selected program offers this option).

Option Three (In School Liberty online HS Program): Students enroll in Liberty online HS (Biblical Worldview program). Each day, students work on individual coursework for 3 hours/daily, participate in Project-Based Learning projects and/or volunteer in CCA classrooms, and participate in a World Watch discussion group on Tuesdays. Students will attend CCA Chapel on Wednesday mornings at 8:45 am, lunch in the cafeteria daily. Tutoring available online and by in-person academic proctor/advisor

- **Students may participate in art, music, and PE if there is availability for \$450/class/year**
