Proper respect for the coordinator, staff, curriculum, and fellow students is expected from all students. Every individual should behave in a disciplined, responsible manner both on and off site at any time you are representing ViewFinder or Cornerstone Christian Academy. We expect students to be focused and ready to learn when in the program. Students should maintain a respectful, attentive attitude toward instructors at all times. ViewFinder reserves the right to dismiss or suspend any individual whose attitude, attendance or conduct is found to be unsatisfactory or derogatory towards fellow students, parents, or teachers. Parents or students wishing to speak with the coordinator or the instructors must schedule an appointment. Please be aware of instructors' obligations and demanding schedules and do not attempt to engage them in any impromptu discussions before, during, between or after the program.

Students and families are expected to respect the learning environment and its materials. Please see that your child arrives on time for the program each morning. We are not responsible for students before or after the summer program hours. Please be courteous of and respect other students' personal property. Students should be picked up promptly after the summer program has finished for the day. For safety reasons, no student will be allowed outside into the parking lot unless accompanied by an adult. If the coordinator or instructors are waiting for an extended period of time you will be billed accordingly. Enrollment is made at the Coordinator's discretion. Cornerstone Christian Academy, ViewFinder, and the Instructors are not liable for personal injuries or loss or damage to personal property. Please inform an instructor of any physical limitations which may prevent full participation in the summer program.

Lunch and snacks are not provided by Cornerstone. Please make sure your child has some snacks, water, and a healthy lunch each day of the program. There may be occasions where the students will participate in celebrations or food tasting as part of the program.

Please contact Cornerstone with ANY food allergies prior to the start of the program.
