

## Contractor Relations to Partnership Agreement Overview

Date : 02/07/2018

Dear Stephen Frank Robinson,

It has been quite a journey since our first encounter in June 2016 @ Bayleaf Technologies DBA Completech Support. You have demonstrated all signs that symbolize longevity in sustaining a business relationship and have gradually generated trust throughout your tenure.

Keeping in mind that your indulgence with the firm was purely based on service and not on financial investments; I am extremely pleased to make this significant change to our current agreement and extend 20% Shares & Partnership in CompleTEch Support under the following stipulations.

- Profit Sharing will take effect after Business debt amounting to \$382,556 will be cleared. (Copy of 2017 Tax Returns and Loss Filings will be presented)
- All Phone numbers used in Operations i.e. 1-888-532-7410 1-888-996-6653 1-310-270-0416 and 1-818-310-5073 will be registered under CompleTEch Support.
- The Business will pay for your housing and living expenses throughout the tenure of the contract and we remain in business.
- The Corporate Residence may be utilized as Business Premises for Training & Operations.
- All sales generated from your channel will be honored a straight 10% Commission paid on the day of sale.
- If and when the company expands and hires new employees, you will be the head of IT and will make all key decisions in that domain.
- Upon formal agreement of the above stipulations, we will draft an official partnership agreement.

Congratulations and Let's take CTS to another level, Cheers & Kudos for the years to come.
