GVDLs - Price Increase - Effective January 4, 2022

The Georgia Veterinary Diagnostic Laboratories will have new fees effective January 4, 2022. Most test fees will increase by 5% rounded to the nearest \$0.50, while fees for non-food/fiber animal necropsies, laboratory animal necropsies, biopsy, and cytology services will increase by 10%. Our tests and services are priced to meet the increase in supply and labor expenses. We make every effort to price our services fairly and competitively for our customers, while providing the highest quality and accuracy.
