

Video, Photography, Social Media Policy.

Our Instructors will take photos in class and post in our private student group. Screenshotting or downloading photos from this group is permitted but only of photos of yourself or your child.

You may post these photos on your own social media as long as they are only images of yourself or your child.

Aerial Allsorts may use these photos on our social media accounts for advertising purposes.

If you do not wish our instructors to take photos of yourself or your child please let them know.

You may take photos in class of yourself or your child but please ensure no other persons are shown in the background without their specific permission.

Filming of instructors is not allowed without their specific permission.

Filming, recording, videoing of any type at our showcases or competitions is not allowed.
