In the case of sick leave use for appointments, the certified employee shall notify the building administrator and the LRSD Sub System as soon as the appointment is made. Employees may apply for leave under the Family Medical Leave Act (FMLA) after three (3) or more consecutive days of absences. Employees may apply for Intermittent FMLA for absences that occur on a regular basis but intermittently.

2. Unpredictable Absence

Except in cases of emergency when certified employees are physically or mentally incapable of meeting these criteria, the following conditions must be met in order to use sick leave:

The LRSD Designated Sub System must be notified of the use of sick leave at least two (2) hours before the start of the certified employee's workday.

The building administrator or designee must be notified of the use of sick leave (phone call, email, or text) at the certified employee's school at least two (2) hours before the start of the certified employee's workday

B. Tardies-Any certified employee arriving more than ten (10) minutes after his/her scheduled starting time will be considered tardy. Any three occurrences of tardiness within a 30-day period shall be considered excessive.

C. Procedure for Use of Sick Leave

1. A certified employee shall be entitled to sick leave only for reasons of personal illness, bereavement, scheduled medical appointments, or illness in his or her immediate family.

2. Except in cases of emergency when certified employees are physically or mentally incapable of meeting these criteria, the following conditions must be met in order to use sick leave:

- a.** The LRSD Designated Sub System must be notified of the use of sick leave at least two (2) hours before the start of the certified employee's workday.

b. The Building Administrator must be notified of the use of sick leave at least two (2) hours before the start of the certified employee's work day.

3. On the first day of their contract period, all certified employees who are employed by LRSD on or before October 31, 2015 will be credited with the number of sick leave days without loss in pay as indicated by the table below, with an accumulation from year to year to a maximum of one hundred seventy-eight (178) days:

190-200	10
201-220	11
221 or over	12

4. Certified employees hired by LRSD beginning November 1, 2015 will receive leave in accordance with "The Teachers' Minimum Sick Leave Law," A.C.A. § 6-17-1201 et. seq. Other certified employees hired by LRSD beginning November 1, 2015 will receive leave in accordance with "The School Employees Minimum Sick Leave Law," A.C.A. § 6-17-130 et. seq. In the case of any use of regular sick leave or extended sick leave of more than five (5) consecutive days' duration, a doctor's certificate verifying the illness or disability shall be submitted to the Department of Human Resources. Progressive Discipline will begin after three occurrences (use of sick leave) in a thirty (30) day period or upon a pattern of frequent absence. The Department of Human Resources Staff is available to review with the employee their rights under applicable laws and policies. Upon a certified employee's return to work after an illness of more than five (5) consecutive days' duration, a statement from a doctor certifying that the certified employee is capable of performing normal employment functions may be required by the Superintendent or his/her designee. In cases where a certified employee has developed a pattern of sick leave for personal illness, a medical examination may be required by the Superintendent or his/her designee; such action may be initiated only by direct order of the Superintendent.

E. Procedure Regarding Lack of Notification

When a teacher is absent from work for more than five (5) consecutive days without notifying the building administrator (or his/her designee) and the Human Resources Department, the teacher shall be considered as abandoning his/her position. If the teacher or his/her designee is unable to make the required contact, it is incumbent on the teacher to notify in writing the Superintendent's office or the office of any of the Executive Directors to establish his/her intent to return to work and that he/she has been unable to provide the usual notification.

F. Procedure for Use of Personal Leave

1. At the beginning of each school year, every employee will be credited with two (2) days personal leave.
 - a. Those two (2) days will be available without loss of pay. Any of these days not used within a school year will be credited to accumulated sick leave.
 - b. The building administrator or support staff supervisor must be notified twenty-four (24) hours prior to taking such leave. In cases of emergency, including inclement weather, where such notice is impossible, the Sub System and the building administrator and/or the support staff supervisor must be notified.
 - c. The terms of this agreement do not preclude the past practice of allowing an employee to arrange, with his/her building administrator's or support staff supervisor's approval, to be absent without penalty for a short duration. If the absence exceeds one half (1/2) day, then the employee must take appropriate leave.

G. Procedure for Temporary Leave of Absence

A temporary leave of absence without deduction in pay may be granted as follows:

1. A certified employee in his/her first year of teaching service may be allowed up to four (4) days for visiting other schools within the district.
2. Other certified employees, on approval of the building administrator, shall be given two (2) days per year for visitation to another colleague's class or to attend a conference of an educational nature, provided that no more than twenty (20) percent of a school faculty may use such leave in any one (1) school year. All such leave shall be at the expense of the certified employee unless attendance is requested by the District.

3. Certified employees may be given time to attend meetings or conferences of an educational nature, subject to the discretion of the Administration. The number of certified employees allowed leave at any one (1) time will also be within the discretion of the Administration.
4. Certified employees will be given the time necessary for appearance in any legal proceeding connected with the teacher's employment, if the certified employee is required by law or subpoena to attend.
5. Requests for temporary leave must be submitted to the building administrator at least two (2) weeks before such leave would occur.

H. Procedure for Military Leave

Military leave will be granted, with increment but without pay, according to provisions of the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), to any certified employee who is inducted or enlists in active military service in time of war or other emergencies, or who is a member of a National Guard or Reserve Unit which is ordered to active duty by the proper Authority pursuant to law. Such leave will be granted in accordance with the Federal Guidelines and will apply to those who have official Military Orders to Report to Active Duty. The certified employee shall provide to Human Resources ten (10) days in advance the Military Orders to report to Active Duty or have his/her designee provide the Military Orders when timeline restrictions keep the employee from providing them in person.

I. Procedure for Leave To Run or Serve in Public Office

A Certified Employee has the right to become a candidate for public office and to serve in such elective office unless there is a specific legal prohibition. Regularly appointed/elected Certified Employees who have completed at least three (3) continuous years of service will be granted a leave of absence for the term of the office, without increment or pay, in order to run for and/or serve in public office. All requests for this leave must be submitted in writing to the Department of Human Resources.

K. Procedure for Establishing Employee Work Calendar

1. Workdays and Holidays

Workdays or holidays for certified employees will not be established on Sunday.

2. Alternate Method of Instruction (AMI) Days

AMI days will be used to deliver instruction to students on days that school cannot be held in the buildings, subject to the limitation of the number of days approved by the Arkansas Board of Education. In the event that AMI days are exhausted, makeup days will be added at the end of the school year calendar to make the required adjustments so that the number of pupil contact days will be one hundred seventy eight (178) except by mutual consent of the LRSD and the LRSD Personnel Policy Committee for Certified Employees.

When inclement weather forces the closing of the schools, all local radio and television stations shall be notified so that announcements may be no later than 6:30 a.m. insofar as possible. Whenever a particular building is closed and students are dismissed due to unsafe or hazardous conditions, the faculty of the building shall not be required to work in their particular building until conditions permit the school to be reopened. However, the faculty shall be responsible for assisting in the supervision of students until the students are evacuated from the building and/or grounds. The LRSD and the PPC-Certified agree that it is hazardous for certified employees and students to traverse ice and/or snow covered walkways and steps.

Therefore, a school will not be opened for classes until at least one (1) entrance to the building is safe.

3. Schedule of Workdays

The workdays of certified employees employed on a nine and one-fourth (9 1/4) month basis will be one hundred ninety (190) days as set forth below.

If needed, only one (1) three hour meeting may be called on day one or day two of the three days preceding the first day of pupil attendance for department or group meetings to ensure a smooth opening of school. On the day immediately preceding

the first day of pupil attendance there will be no meetings scheduled or held for any reason.

- d. The two (2) full workdays/professional days at the conclusion of the second and fourth nine weeks will have a one-hour professional development meeting from 8:00-9:00 a.m. at the elementary level and 9:00-10:00 a.m. at the middle and high school level.

O. Procedure for Receiving Salary Credit

Certified employees will be given credit on the salary schedule for degrees earned, graduate hours completed during the same semester the degree was earned in excess of the degree requirements, and other graduate hours earned after a particular degree is conferred provided the college or university granting the degree is accredited in Arkansas, or by some other accrediting agency of comparable rank, and further provided that at least one of the following criteria is met:

- b. The degree and/or hours earned were directly related to his/her level of teaching assignment prior to employment.

- c. Eligible credit for degrees or hours earned during the preceding summer will be given during the current school year if a certified employee presents a written statement concerning such work to the Department of Human Resources by September 1, such statement to be supported by a transcript sent to this office by October 1. Upon receipt of such statement by the Department of Human Resources, a revised contract will be issued and the certified employee will be paid accordingly.

- e. Certified employees who participate in and successfully complete professional development workshops sponsored or approved by the Little Rock School District or required for continued certification by an appropriate state agency shall be given credit on the salary schedule equivalent to one (1) hour for every fifteen (15) hours of class work. (This applies to both degree and non-degree certified employees.) Certified employees will be limited to three (3) hours of professional development salary credit per semester.

P. Procedure for Replacement of Personal Property

The LRSD shall reimburse certified employees for any theft, damage, or destruction of personal property used for classroom instruction up to \$500.00, where the negligence of the certified employee is not involved, provided an itemized list with approximate value of each item has been filed in the building administrator's office prior to the personal items being placed on school property and provided the building administrator has approved the list as submitted.

- 1. Certified employees who are assigned classes or other duties at more than one (1) school and are required to provide their personal automobile for transportation will be reimbursed according to LRSD policy.  - d. Reimbursement for meals and lodging will be paid at the state per diem rate. The policies of the LRSD Board of Directors are to be adhered to, and itemized receipts for lodging must be turned in to the Business Office.

3. Certified employees who are asked to attend workshops or meetings not listed in the monthly calendar of events by Central Office administrators will be reimbursed (a) for use of their personal automobile at the state mileage rate (b) registration fees, and (c) meals and lodging at the state per diem rate if overnight stay is involved. This provision does not apply to teachers who are paid a stipend for extra duty, for services performed outside the minimum scheduled hours of work on a contracted day, or for State Department requirements for job performance. If a teacher is mandated (by the building administrator or Central Office Administrator) to provide professional services (attend Saturday PD, Summer PD, provide a workshop, etc.) or to be in attendance on a day not specified as a contracted day or during a time outside of contractual hours, the teacher will be compensated for the time spent in performing those services at the employee's individual daily rate of pay.

S. Procedure for Tuition Reimbursement

When a certified employee has worked for three years with the Little Rock School District, he/she is eligible to make application for tuition reimbursement according to the following conditions:

- 1.** The application form will require the normal personal and professional data. Tuition reimbursement will be granted to applicants based on the order in which they are received as long as total budgeted monies have not been expended. If requests for funds exceed budgeted appropriations, total years of service with the Little Rock School District shall be the determining factor for granting tuition reimbursement.
- 2.** The applicant, except non-degree career technical certified employees, must hold the standard bachelor's degree plus six (6) semester hours of graduate work.
- 3.** Successful applicants will be granted reimbursement for actual tuition not to exceed the rate charged by the U of A system for the course of study; provided a passing grade or credit for the course is received. Payment to the certified employee will be made within thirty (30) days after the district has been provided with an official transcript and receipts for tuition payments.
- 4.** Any certified employee who receives financial reimbursement for in-service advanced study shall be provided released time upon notice to his/her building administrator with no loss of accumulated leave at a rate of one (1) day for each three (3) semester hours of course work.

Failure on the part of the district to offer grantee a

contract for periods sufficient to cause the note to be cancelled shall cause the remaining balance of the note to be cancelled. The balance of the note shall become due and payable if the grantee voluntarily fails to render service of sufficient length to cause cancellation of the note as described above.

9. Tuition reimbursement shall be used to pay tuition for completion of any course which qualifies for salary credit anywhere in the Agreement.

Exception:

Tuition reimbursement may be used to pay for any computer training course directly applicable for educational research and/or instruction. The course does not have to be part of a program of advanced study or qualify for salary credit.

T. Teaching Hours and Load Procedure

Certified employees are encouraged to spend additional time before or after school within reasonable limits and on an occasional basis in order to comply with parental requests for personal conferences. The restrictions stated herein should not be construed to imply that certified employees may not or should not arrive at school earlier or remain later than the times specified.

1. No certified teacher shall be assigned more students than allowed by the Arkansas Standards for Accreditation of Public Schools, regardless of the type of schedule followed by the school, except in courses that lend themselves to large group instruction, such as band, choir, physical education, etc.
2. The certified employee's work time, before and after school, shall not be considered instructional time. An elementary certified employee may be assigned supervisory duties during this time up to one hour (60 minutes) per week without additional compensation, as long as their individual planning time requirement is met.
3. Certified employees assigned non-teaching duties over sixty (60) minutes per week will be compensated at their daily rate of pay.
4. Every certified employee shall have a duty-free, uninterrupted lunch period of thirty (30) minutes. A fifteen (15) minute unassigned relief period will be provided for each elementary certified employee each day. This can be attached to a lunch period.
5. The hours of service shall be continuous and in no instance shall the certified employee's workday exceed the provisions set forth in this section.

6. There will be no coercive measures taken to solicit volunteers and there will be no reprisals of any kind taken against any certified employee who chooses not to volunteer to perform duties during his/her lunch period without pay.
7. Any certified employee who is performing supervisory duties on the playground or in the cafeteria shall be given release time from his/her instructional duties for any discipline-related activities resulting from incidents that occur while performing the supervisory duties

U. Planning Time Procedure

1. Planning time for all certified employees is a most important adjunct to an effective instructional program. The parties, therefore, agree that time allocated for this purpose will be used, except in emergencies, for instructional planning.
2. Instructional time for all certified employees will not exceed 30 hours per week. Every certified employee will have at least two hundred (200) minutes for individual planning each week. Time in blocks of fewer than forty (40) minutes will not be considered planning time. Certified employees will not be assigned duties beyond seven hours and thirty minutes in a contract workday. Scheduled direct instructional time to students will not exceed 30 hours per week.
3. For schools on a block schedule, four hundred fifty (450) minutes each week will be used for planning and/or preparation and consultation. At least two hundred (200) minutes per week will be individual planning time. The length of a certified employee's contract day will not exceed eight hours, inclusive of a 30 minute duty-free lunch period and a 15 minute relief period.
4. A minimum of 200 minutes of scheduled time will be provided each week (based on a 5 day workweek) for each elementary classroom certified employee for individual planning. Sixty minutes each of Art, Music, Physical Education, and Computer Lab classes will serve as planning time for elementary schools.
5. For Middle Schools, certified employees will have a minimum of 315 minutes per week of planning time. Planning time provided above the two hundred (200) minutes of individual planning time will be used for collaboration and teaming.

6. Certified teachers may be required to attend a Professional Learning Community (PLC) collaboration for sixty (60) minutes one day per week before or after school, with the exception of Friday.
7. Certified employee work schedules will be assigned by the building administrator.
