Dear Sir / Madam:

Your completed registration statement has been reviewed and filed on March 31, 2026. Please make note of your registration number; you should include this number in any further correspondence or in amended submissions to this office.

As a reminder, any Professional Fundraising Organization your organization hires to solicit funds must register with this office per § 407.466 RSMo, 2000. If the services of a professional fundraiser are used, a copy of the contract signed by the organization and that fundraiser must be submitted to us. Exact copies of all solicitation materials used to solicit funds must accompany the contract. Each amendment to your annual registration must be accompanied by a \$25.00 amendment filing fee made payable to the **Merchandising Practices Revolving Fund**.

As a further reminder, in future years an annual report must be filed within 75 days of the close of the fiscal year end. Failure to submit an annual report within the allotted time period will cause the charitable organization registration to become delinquent and penalties issued. A blank annual report form can be downloaded from our website which is listed below. Please complete and submit this form at the closing of the organization's fiscal year end.

We appreciate your cooperation. Please contact me with any questions
