

350P/360P

Saving more lives for less.™

FEATURES AND BENEFITS

Extra Protection

Higher water and dust protection rating than ANY other AED. IP56 Certified

Tough & Ready

Comes with a shock-proof carry case. Can be operated from within the case, saving precious seconds in an emergency

Automatic Shock

Provides the shock automatically. Reduces operation to single-button functioning (360P only)

Keeps the Rhythm

Always prompts you what to do next. Provides a metronome to keep your CPR in time with the beat.

Low Cost

battery & pads are combined in one cartridge with a 4-year life. This makes it simple to monitor the expiry and cuts costs.

Simple Operation

Easy 3-step operating procedure with visual & audio prompts
