

500P

Your best fighting chance.™

FEATURES AND BENEFITS

Extra Protection

Higher water and dust protection rating than ANY other AED. IP56 Certified

Tough & Ready

Comes with a shock-proof carry case. Can be operated from within the case, saving precious seconds in an emergency

Keeps the Rhythm

Always prompts you what to do next. Provides a metronome to keep your CPR in time with the beat.

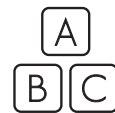

All about CPR

Audio and Visual prompts instruct whether you need to "Push Harder" or "Push Faster" ensuring CPR is effective

Low Cost

battery & pads are combined in one cartridge with a 4-year life. This makes it simple to monitor the expiry and cuts costs

Simple Operation

Easy 3-step operating procedure with visual & audio prompts
