

CITRIC WASH

Versatile low pH Acid Cleaner for Two-Step Cleaning Process of Polished Aluminum

DESCRIPTION:

BIG RIG Citric Wash is a premium aluminum safe low pH acid cleaner for washing, descaling, and freshening metal and painted vehicle surfaces. Ideal for use on tanker trucks, trailer bodies, rims, and exterior aluminum surfaces. **BIG RIG Citric Wash** is ideal for use in a two-step cleaning process.

DIRECTIONS FOR USE

Read and understand all safety instructions in SDS before use. Wear protective equipment including rubber gloves, face and eye protection, and suitable protective clothing. Use in a well ventilated area. Wear a respirator to prevent inhalation of fumes.

Dilute 20:1 to 50:1 depending on degree of soilage. Spray on to surface to be cleaned as the first step of a two step process. Use with BIG RIG Truck & Trailer as the second step for best results. Rinse completely with water.

DISPOSAL

Dispose of contents/container to comply with local/regional/national/international regulations.

DANGER

Fatal if Swallowed, in contact with skin or if inhaled.
Causes severe skin burns and eye damage.
May cause cancer.
