FLUTES & CO- CUMBRIA, directed by Sue Nicholls

<https://www.facebook.com/FlutesandCo>

Flutes & Co is an all-age multi-ability flute orchestra based in Kendal with members from across Cumbria, North Lancashire and North Yorkshire. Set up in 1994, the group has grown in instruments and members and now numbers over 40. In addition, it runs an Inspire programme for younger flautists to give them experience of playing in a larger ensemble. As well as performing at least 2 concerts a year, Flutes & Co perform at outdoor venues across South Lakes, including castles, gardens, village greens and even a cow shed as a wet weather alternative. Every Christmas they accompany carols in the wonderful acoustic of Rydal Cave. This is their 3rd time playing together with Flutes Unlimited for a Joint Flute Day.

FLUTES UNLIMITED- GLASGOW, directed by Andrea Kuypers

www.flutesunlimited.co.uk

Flutes Unlimited is a Glasgow-based flute choir for advanced and intermediate flute players. It was set up in 2009 by Andrea Kuypers, with the aim of offering a friendly and supportive environment to enable flautists to play and perform together. Flutes Unlimited attracts members from across central Scotland and includes everyone from school age pupils to those studying for music degrees and beyond. They enjoy a strong following in their local community and enjoy connecting with other flute choirs at home and abroad. Flutes Unlimited has collaborated with the Carlisle Primrose Orchestral Flutes, Útnyrðingur - a flute choir from the Faroe Islands and we are delighted to work once again with Flutes & Co. Flutes Unlimited are three times winners of the "wind orchestras and bands" category at the Glasgow Music Festival.
