

**GROW Committee Meeting
Meeting #2-26/27– 9:30am
July 7th, 2026 - Teams & In Person**

In Attendance:

Jeff Elder, Rod Durham, Paul Gaultier, Myles Kubinec, Rene Bravo – Watershed Planner, Neil Zalluski - Mgr., Hailey Gardham - GROW / PWCP Tech, and Tracy Lockhart – Financial Administrator.

Teams: Ted Snure

Regrets: Mitchell McPherson, Ken Turner, Heather Dalglish

Meeting called to order at 9:30am

GROW Proposals: Uplands

GROW-U6-2026 – M. Kubinec / P. Gaultier

Atlee Abbey – Uplands Enhancement on NW-07-10-17-W1 and SW-05-10-17-W1 with land class 5. The producer is wanting to add cross fence as well as a water pump to help increase the rotations in the pasture and provide safe clean drinking water for the cattle. Total proposed project cost will be \$19,552.49.

Tabled.

GROW Proposals: Riparian

GROW-R1-2026

Mitch Herkert – Riparian Enhancement on NW-31-05-13-W1 with land classes 4 and 5. The producer is wanting to fence off the slough as well as provide cross fences in the paddock to increase rotations. A watering system will also be proposed as they will be keeping the cattle out of the water. Total proposed project cost will be capped at \$18,000.

Carried.

Adjourn – P. Gaultier / R. Durham
