

Be there with me,
oh Lord, I pray.
Make my words
kind - it means
so much.
In my hands
place your
healing touch
to make the
broken whole.

Nurse Honor Guard of the River Cities

Honoring those
in the
Nursing Profession
who cared for
others
devotedly

Our Mission

To recognize men and women who have dedicated their professional lives to Nursing and to pay respect to fellow nurses retired and or active for the devotion and commitment they demonstrated in caring for the vulnerable.

Services Offered

We will attend funeral or memorial services at the family's request, wearing traditional white uniforms. We will stand guard at the casket or urn during visitation and will honor the fallen nurse with a tribute.

Nightingale Tribute

Nursing is a calling, a way of life. Nursing is a service, a profession that cannot be lived in isolation. Nurses rely on each other for the synergistic effect of teamwork in our efforts of care giving. It is appropriately deemed that we honor our colleagues, not only during their career, but also at the end of life's journey.
