

ALL CAPS

a monthly news service of the Presidents' Council

May 2024

CAPTIVA ISLAND

Florida USA

WELCOME

ALL CAPS is a monthly newsletter about Captiva Island living for owners by owners of private homes located within South Seas Island Resort[†]. In this inaugural edition, we feature our companion website www.scsfl.org and offer updates on Hurricane Ian recovery.

WEBSITE

Our companion website www.scsfl.org is an information portal provided by the twelve owner associations represented by the Presidents' Council. In addition to owner updates, the website offers a Frequently Asked Question (FAQ) page to answer your inquiries about the associations and resort living. You may submit your questions as well as subscribe to this newsletter via the website.

UPDATES

The associations represented by the Presidents' Council provide periodic updates about Hurricane Ian recovery efforts listed by association. This information may be accessed at our companion website www.scsfl.org. Click on the About navigation button to see a list of associations, and then click on the name to view information about that association.

OWNERS MEETING CALL

Our next monthly Presidents' Council owners meeting call is scheduled for June 5, 2024. The meeting access information, agenda, and other information may be found at our companion website www.scsfl.org on the Schedule page. Links to the Zoom recordings of past owners meeting calls may also be found on the Schedule page.

SEA TURTLE NESTING SEASON

The season runs from May 1 through October 31. All beach furniture and equipment must be removed from the beach each night. Between the hours of 9:00 p.m. and 7:00 a.m. ET, homeowners should shield, lower, or redirect all point sources of light visible from the beach. Amber or red lights may be used otherwise. Lee County Code Enforcement will be monitoring for non-compliance and issuing citations as warranted.
