To Register: Email NorthSLOCountyCERT@gmail.com, and indicate that you would like to register for the CERT Basic Training class. Please be sure to provide a telephone number. If you have any questions, call John Spooner, Training Coordinator, at 805 588-2172.

During a large scale emergency or disaster, first responders may not be able to reach everyone right away. A disaster could strike when parents are at work and children are at school or involved in social activities. Would your family members know what to do? Learn how to prepare for, respond to, and recover from local disasters. This class is intended for family members, age 15 and older. Protect your family, assist your neighbors, and help your community before, during, and after a disaster.
