

# Family Emergency Plan

Disasters can strike at any time. Having a plan before it happens just makes sense. Before an emergency happens, sit down together and decide how you will get in contact with each other, where you will go and what you will do in an emergency. Keep a copy of this plan in your emergency supply kit or another safe place where you can access it in the event of a disaster.

Protective Action Zone (PAZ) of our home: \_\_\_\_\_ Protective Action Zone (PAZ) of our schools: \_\_\_\_\_

**Evacuation route:** Write down the major roadways you would use to leave the area.

**Note:** For travel directions in an emergency, listen to the Emergency Alert System messages on a local radio or television station.

Going to the north: \_\_\_\_\_

Going to the south: \_\_\_\_\_

Before leaving your home close windows, lock doors, turn off air conditioning/heating. Shut off systems that bring in outside air. These include furnaces, fireplaces, air conditioners, vents, and clothes dryers. Turn off appliances except refrigerators and freezers.

**EMERGENCY CONTACT CARD**

(FILL ONE CARD OUT FOR EACH FAMILY MEMBER—KEEP IT IN YOUR WALLET / BACKPACK)
