

## 2021 Ski Season

Our season started on Wednesday, Jan 6th in the "TENT", we were moved to the "YURT" a couple Wednesdays later due to the racers using the tent. After the move to the "Powderhound" yurt, we were spoiled.

So that is where home base became the rest of the year, with the exception of one time in LODGE 2 when chair one was down. We ended our season with the annual brat lunch in LODGE 1.

Many of the Prime Timer Wednesdays were sunny! Besides good skiing and superb grooming, we had great after ski gatherings. We were able to be in & outside the yurt and on lodge 1 deck to gather.

The lunch coupon ticket drawing was a big hit! The Prime Timers purchased 100 coupons from the mountain and Gail held drawings. Thank you to Gail for being in the YURT every week! Kevin Pryor graciously donated 4 x \$25 gift certificates for our on-line drawing too. Other skiers on the mountain heard about the fun and we ended up with some new members! Prime Timers members donated a total of \$1400 to Powderhounds! Thank you!!

About 40 of us headed to McCall February 15 - 19 for our ski trip. We hit it right for the snow conditions. We enjoyed powder and sunny days. Many of us that hadn't gotten to ski together, connected up for most of the days and skied some fantastic runs.

Larry Vandenberg organized an impromptu Gonzaga game night at the hotel and Joey cooked up some brats & burgers for a great pot luck!

For our last day, Gabe was happy to make the Brat lunch happen. With luck, the seating capacity was raised to 50% a week before our lunch, so we could increase the attendees. We had 150 Prime Timers enjoy the lunch, friends and sun. What a fantastic way to end our season!

Thank you to all our 256 members and 21 new members for making this a fantastic season!
