

March 13 Regional Event

What a day! We had a great turnout for our 2nd Annual All Prime Timer Party. Over 200 people attended this year, with about 60 from other mountains.

Jim & Debbie Allen did a spectacular job preparing **ALL** the hors d'oeuvres.

Once again, we had wonderful prizes. Thank you to Val & Susan Taylor for their generous donation and work on gathering prizes. We appreciate everyone who donated great gifts to make this a special event!

Great job Debbie! It's almost over.

Cheryl and Linda have a fun time planned for everyone in celebration of 20 years. Many of you know Donna, (left) our founder. We are excited she will attend the celebration. Thank you Donna for our beginnings and running such a great club for so many years. Thank you to Linda, Cheryl, Gail and all the volunteers who carried us forward as Donna retired. All the current volunteers have done such an amazing job to make Mt Spokane Prime Timers what we are today. We hope to carry this club forward in the light it was created into many fun filled seasons in the future.

The Spokane Bike Swap and Expo has ask us if any of our members would be willing to volunteer either Friday afternoon or Saturday for a shift. They need 150 volunteers with only about 50 signed up so far. It's a fun event with a lot of positive energy & pizza on volunteer night. It's a great way to "spring" into spring activities after the mountain closes.
