### ***Mt Spokane Ski & Party. All Mountain Prime Timer Invitational*** MARCH 11, 2020

We are excited at the response from Prime Timers from around the area attending our annual Event & St Paddy's party. Please invite your friends!

Between 2:00 - 4:00 pm in Lodge 2, we have a fun St Paddy's Day Theme Social planned! Debbie Allen will once again have wonderful array of Hors d'oeuvres. Reuben Quesadillas, Cheese Quesadillas, Nachos, Jim's famous smoked Salmon dip, vegetable & cheeses - need I say more - It's Debbie & Jim doing their magic for a wonderful array of food for us. If you would like to bring some finger desserts to add to the dessert table, that would be awesome.

\*\*\*\*This is a **"Pay at the door"** for everyone, including Mt Spokane PTs: \$10 with two beer or wine drink tickets, \$5 with soft drinks and an entry into the Prize drawing. Please let us know you are attending, so we can have enough food for everyone. [CLICK HERE](#) or respond to this email.

**IF YOU HAVE DONATIONS FOR OUR PRIZE DRAWING, PLEASE LET ME KNOW. I AM MAKING A LIST OF THE DONATIONS WE WILL BE GIVING AWAY. (more is better) As always, THANK YOU TO our members who make the prize drawing so fun by their generosity. We love prizes!**

***IT'S DEMO DAY!! We just heard from SNEVA MFG skis <http://www.snevamfg.com/> - Plan to try a new pair of skis! We loved these custom skis so much, a number of us of us bought a pair. Besides being a great ski & a great price, you get to pick your own design. You gotta try 'em. We love TJ Sneva.***

Hope to see you next Wednesday!

### *Looking Back:*

We had the Whitefish trip with over 70 people enjoying The Lodge at Whitefish Lake & skiing, Valentines Day lunch with 185 members & guests, the Schweitzer Invitational with 72 Mt Spokane Prime Timers attending. And we had a huge turnout for the Lookout Pass and 49 events earlier.

The camaraderie between the Prime Timer groups of Mt Spokane, 49, Lookout Pass & Schweitzer is wonderful to see. We have a very active and fun group I'm so proud of! We are always well represented at the other mountains' Invitationals. It's our turn to be hosts this week.

### *Looking Forward:*

We have come to the time of year where we would like to invite new and renewing members to join at a reduced rate for the remainder of the season. This year the reduced "End of Season" dues are \$15 and includes our last lunch. You'll also be able to attend Prime Timer activities such as socials & summer cycling and pay the reduced member's cost to our November preseason party. [CLICK HERE](#).

## *Prime Time Bikers:*

I've had numerous questions about bike riding this summer. Yes, I'll set that up again as it warms up.

I would like some feedback on two topics:

First, I think our rides were on the advanced side of many riders in our age group. We averaged a little over 20 miles and did several rides with hills. I think flatter rides of about half that length would be welcome to many. So, my idea is to have two sets of rides, one shorter – the Scenic Rides – and one longer and some hills, like many last year.

Second, should we move around the days of our rides? I know of several couples who would like to ride but have made Wednesdays their golf days.

One other thing, I would like some help with leading these rides. I have maps for many rides in the area, I just can't be tied to two rides a week
