Hello Prime Timers!

It was so great to see Debbie Allen last weekend! Look at that smile! With Jim by her side, she has had a long road to recovery from her devastating fall last year which initially left her with a 3% chance to live. She wants everyone to know how much all the get well cards meant to her and how thankful she was to receive every one of them. She still goes back and re-reads them. They were so encouraging, supportive and an important part of her recovery & continue to be. She is working on being able to drive again and is adjusting to the lost sight in her right eye. She & Jim will ski this year - it will be so good to welcome her back!

Mt Spokane Family Mountain Day Sept. 12 was really a big success for all the vendors, the inaugural Mt. Spokane Trail Run race & the Prime Timers! The parking lot was full - I heard they had over 400 runners! The event included Pass Pick up, Vendors, Prime Timers, Food, Music and Beer Garden. It was great to see many of the Prime Timers who came up to pick up their passes and renew. **Welcome to the new members!** We have 13 new members so far this year, 10 who signed up at the event. We're off to a great start!
