Hello Prime Timers!

We hope you're enjoying these cooler and sunny days! Not that any skier counts days until next season 😊 but we're 86 days until the estimated Opening Day Dec 4! The pass is coded so the mountain staff can scan your pass getting you whatever specials or discounts are offered! If you haven't paid your dues, don't delay, it's time to pay! [Online Dues](#) or by check P O Box 843, Mead, WA 99021 see attached form. (if no changes, no form needed)

We currently have a bit of a scheduling conflict with our Whitefish trip & Schweitzer's Feb 10 Invitational. Kathy Jacobson is now Schweitzer's PrimeTimer's Vice President and it's important to her that all Mt Spokane PTs who would like to attend can do so. Schweitzer will try to change their date to Feb 17 based on the number of Mt Spokane members going to Whitefish and who would plan on going to Schweitzer if held on Feb 17 rather than Feb 10.

Please let me know right away if you would plan to do both Whitefish & Schweitzer's Invitational.

Stay tuned for updates on our Prime Timer Season Schedule. We are also working on a date for a preseason party!
