## Recycling

To help us sort recyclables after bingo tonight, we encourage customers to leave non-recyclable items and aluminum cans on the tables. Our volunteers will collect it. Non-recyclables include styrofoam cups and plates, plastics and leftover food. The paper bags next to your chairs are best suited for paper products only. Aluminum cans may also be placed in the marked recycle cans throughout the hall, and paper in the red trash cans.

Please don't worry about a mistake. We don't wish to inconvenience you. Above all, we want your time here at Doylestown Bingo to be pleasant and entertaining.

Also, we invite you to bring paper, cardboard and aluminum cans from home if you would like to leave them in the recycle containers located near the front entrance of the main parking lot.

Thank you for your cooperation and let us know how we may be more helpful.
