A MESSAGE FROM THE PRESIDENT

Greetings

On behalf of the entire membership, I offer my heartfelt prayers for the family and friends of the people who were killed or injured in the tragic fire on the 12th floor of the County Building.

Also on behalf of the membership, I would like to congratulate Philip Cline, who will be sworn in as Superintendent by the time you receive this newsletter and to Dana Starks who was recently promoted to First Deputy Superintendent. The best of luck to you both in your new jobs!

The CPWA Board and I would like to 'THANK' everyone who attended the 7th Annual Awards Banquet and showed their support. We would also like to 'THANK' Alison Rosati, who did a tremendous job as our Master of Ceremony. This banquet was an extremely moving event and very much a success. We look forward to next year.

Many changes will soon be taking place in the Department and we hope that there will be more females moving up the ranks.

Now I am going to ask that each and every one of you who receive this newsletter take the time to fill out the attached membership form. Even if you do not have the membership fee right now, send the application back to us and pay your dues at a later date. We are only as strong as our numbers, and there are now 3,104 women on the Chicago Police Department.

In closing, as always, I am challenging you to come to a meeting, bring your ideas, together we can work to make the future a better place for everyone.

As always, peace to all and be safe!

Linda Brumfield

AWARDS BANQUET RECAP
Those who attended the 7th Annual Awards Banquet and Fundraiser on Sunday, September 14, 2003 were treated to great company and a great time. Greeted at the door by a CPWA Board Member, everyone received an envelope with a CPWA magnet notepad and two free passes to the Adler Planetarium. An invocation was given by Spiritual Director Margaret Lenart. Then Master of Ceremony Alison Rosati took charge, her laughter was infectious, her stories entertaining, and her emotions sincere. Dr. Lucy Fortson, the Director of the Adler Planetarium, presented NASA representative Gloria Hernandez with the awards for NASA Astronauts, Mission Specialist Kalpana Chawla (Ph.D.) and Mission Specialist Laurel Clark (M.D., Commander, USN), who served proudly on the space shuttle Columbia. Secretary of State, Jesse White, City Treasurer, Judy Rice, and several City Aldermen were among the many special guests. Magnum’s White Star Lounge at 225 West Ontario, once again hosted this event. Food and drink were in abundance and attendees partied into the wee hours. We would like to send a great ‘Thank you’ to everyone who generously supported our annual fundraiser and congratulations to all the awardees.

MARATHON RUNNER
Congratulations to Sergeant Debbie Pascua, (Unit 001) who ran in the Chicago Marathon on 12 October 2003. She ran the course in 5 hours, 8 minutes, taking 17 minutes off last years time. Deb says, “If you are looking for a challenge...how about the 2004 Chicago Marathon? Now’s the time to start training.” Join her next spring on the newly formed CPD Running Club. They will be running on trails and the lakefront. All levels of experience are welcome.

PRINCIPAL FOR A DAY
On Wednesday, 29 October 2003, Captain Michele Owens, Sergeant Becki Arguelles, and Officers Maryet Hall, Maria Martine, and Cindy Nieckula spent a hair-raising and heartwarming morning as “Principal for a Day.” The program was created to get professionals involved in the community. Many of the children who attend the schools, that participate in the “Principal for a Day,” need the mentioning that events like this provide. A luncheon with Mayor Daley at the Hilton Towers, topped off a very rewarding day.

Actor Steve Harris known as “Eugene” of the “Practice” and Linda Brumfield at the “Principal for a Day” luncheon.

Joan Cusack from U.S. Celluar and Linda Brumfield at the “Principal for a Day” luncheon.

NORTH SIDE VOLLEYBALL
“The Women in Blue” CPWA Volleyball Team is looking for players. There are three (3) Divisions: Recreation, Intermediate, and Competitive. Games take place on Sundays at Kilbourn Park. If you are interested in playing or want more information, call: Officer Kathy Caldwell or Sergeant Dawn Jackson.

Members of the CPWA Volleyball Team.
**BOWLING**
The CPWA bowling team has become so popular that this year we have two (2) teams, our original team the “Alley Katz” and our newest team the “Dirty Doz”are knocking the bowling pins right out of the alleys. Our teams are in 10th and 8th place out of 34 teams. They bowl at 7 p.m. every other Monday at Diversey Bowl. Their next games are scheduled for the 10th and 24 of November and the 8th of December 2003. Please come and cheer them on as they move up in team raking while enjoying pizza and refreshments.

**SOFTBALL**
Start thinking about spring, sunshine, warm days and softball. CPWA will once again field a softball team, maybe two, if enough interest is shown. We would like to try a North and South side team, so no one would have to travel far in rush hour traffic. We know there are a lot of excellent players out there in the ranks, join your fellow officers having fun on the diamond. Watch for a reminder in the beginning of 2004.

**GERY CHICO**
The former head of the Chicago Public School System, Gery Chico, is running for the United States Senate. Please feel free to join Law Enforcement organizations and friends of Chico in hosting a free reception on Monday, 01 December 2003, from 5:30 - 7:30 p.m., at “Chula’s,” located at 33 West Dearborn Street (at Illinois Street). Chico has been endorsed by seven area police associations. Come meet the candidate and find out why he will make a difference for us. For more information please call (312-681-5310) or go to www.gerychicoforsenate.com.

**POLYGRAPH EXAMINER**
One of our very own female Detectives, Tina Figueroa-Mitchell, of the Area Five Detective Division, has just completed an arduous eight week course to become a certified Polygraph Examiner. Tina says, “It was no picnic, you had to work very hard everyday. You had to pass several very intense exams in order to become certified. Right now, I am very happy to be back home, and all excited to put into practice my new skills, I can’t wait to start my new assignment in Forensic Services.” Congratulations Detective Figueroa-Mitchell for your accomplishments, we know that your new acquired skills will be put to good use.

**FLYING HIGH**
Angela A. Marino the daughter of Sergeant James R. Marino of the Education and Training Division (Unit 124) is a Lieutenant with the United States Navy. Lieutenant Marino is the only female flyer in her squadron. Angela has been away from home for over two months. Seven years ago she completed her training at the Navel Academy and has been serving on active duty for over three years, she currently has three years left on her commitment. Lt. Marino states that the best time of the day is when she is flying high in the clouds all alone. The ship she is
serving on is so over crowded that she welcomes the moments she is soaring solo up high amongst the clouds. Angela further states that she works a twelve hour work shift and gets to fly two times a day. As for Dad, Sergeant Marino cannot be anymore prouder of his daughter, he cannot wait until she comes home in about three to four months. The members of the CPWA wish Lieutenant Angela A. Marino a happy and safe home coming.

**Linda.**

Please allow me to compliment you and the Chicago Police Women's Association on the superb reception held on 14 September 2003. It was fully the best run, comfortable setting, and ceremony I have ever attended. It is a reflection of the professionalism and dedication of your organization and the members. It was one of the most pleasurable experiences and greatest honors in my life and career. I thank you all very, very much.
