This matter is before the Court on the parties' Joint Status Report. [R. 13]. On June 22, 2026, the Court stayed the case to allow the parties to engage in settlement discussions and mediation. [R. 9]. In that order, the Court required the parties to file a joint status report informing the Court of the progress of those settlement discussions. *Id.* The parties inform the Court that they "have continued to engage in settlement discussions and exchange information intended to explore the potential for resolution of this matter prior to further litigation." [R. 13]. Further, the parties have agreed on a mediator and scheduled a mediation for October 20, 2026. *Id.* The parties state that "settlement discussions continue to be productive without necessitating intervention from the Court at this time." *Id.* Accordingly, it is hereby **ORDERED** as follows:

1. This matter remains **STAYED** as the parties engage in mediation and settlement discussions.
2. The parties **SHALL FILE** a Joint Status Report **within seven (7) days after the mediation that is to occur October 20, 2026**, updating the Court on the status of this action.

This 25th day of August, 2026.
