1. Read this drawing in conjunction with the other drawings and the specification notes.
2. Check all dimensions on site prior to ordering, cutting or assembling any materials or components.
3. Drawings prepared for statutory consents only. Additional details may be required for construction purposes.

As required under CDM2015 Health & Safety Regulations the client has a responsibility to ensure risk of injury is reduced to a minimum.

Prior to commencement of any work the contractor is required to consider in conjunction with the client and designer the risk of injury associated with the works & Prepare a Pre Construction & Construction Phase Health & Safety Plan.
