Missional Community is... well you and I on mission together. We eat together (so good), share together (very good), and serve together (so very good). We practice what it looks like to be together with and for Christ. Lots of words could describe MC - but it's better to experience it.

People came to Christ in this room. Think about that for a moment. Souls went from being dead in sin to being made alive in Christ. We celebrated baptisms and communion with one another. Children (and adults) heard the gospel for the first time here. Surrendering to Christ happened in this room. Can there be any sweeter memories than this in life?

As you look down, every coffee stain is evidence of fellowship. WOW! We've had a bunch of good times! We've built walls up, torn others down and painted whatever was left. We celebrated Christmas and Easter for almost 20 years here.

Because these moments are sanctified, this place became a sanctuary. Sure, it still looked like a warehouse from 100 years ago at times. But for the people who have called ACF a home at some point in the last 20 years, it was our sanctuary.

Now, we venture to a new place. We know that where 2 or 3 are gathered Jesus is there. So we know He will be in the new place with us. Let us then endeavor to trust that the Lord, who turned a warehouse into a sanctuary, will turn a gym into one as well.

Let us pray that in the new space, people would come to Christ. That souls will be saved. That surrender to Christ would be common. That fellowship and food will be sweet. That gathering in a gym, will in time, as it did in a warehouse, be a sanctuary for souls to find peace, hope, and salvation in Christ.

Reaching the World with the Great Commission Fund

The Great Commission Fund (GCF) supports over 700 overseas workers in 70 nations, including our friends in the Green Mountain Mission Field. Our goal is to give an amount that is at least 10% of our General Fund to the GCF. Pray for the Green Mountain Mission Field Families.

Please take a moment to pray for this week's Green Mountain Partners overseas Jim, Kathy, Hannah, Kallie, and Logan.(last names are not shared because the Green Mountain Mission Field is in a country that is creative access for gospel workers.)
