

MAIN STREET CALICO ROCK AWARDS GRANTS TO FIFTEEN LOCAL BUSINESSES

Owning and operating a small business, especially in a small town, can be a dream come true, but it can also be really hard. There is no paid vacation, snow days cost money, and your next pay check depends on how many shoppers come in your door. We are really fortunate to have some of the finest people on the planet that own and operate small businesses in the Main Street Calico Rock district.

Coming back from winter to kick off a new tourist season can be hard and stressful. To ease the stress and help our local downtown businesses, Main Street Calico Rock and Main Street Arkansas presented each of our downtown businesses with a \$250 business promotion grant today, because promoting their business is essential to a great tourist season. We LOVE our businesses and we show them how much we appreciate them with resources that make their business grow. We hope you will show them some love by shopping small all year long. They thank you and so do we!
