DOG MAINTENANCE REGISTRATION

Madison Place Condominium Association has recently instituted a new policy to register all dogs residing within Madison Place. The Board of Trustees has found this to be necessary because of the excessive amount of dog feces that is littering our neighborhood, making it not only unsightly, but unsanitary. The Association also has found it necessary to sometimes employ someone to pick these dog feces which is costly.

Due to this fact, we are now requiring that you register your dog to help defer these costs. There is a small **yearly** fee, \$25.00 for the first dog and \$15.00 for each additional dog that resides within the home. You will receive a tag indicating that your dog has been registered and must be displayed on your dog's collar. This is our way of verifying that your dog has been registered.

The Board is not happy to have to impose this type of registration but financially we found it necessary to cover the cost of the additional clean-up of the feces. This does not mean that you can now leave the dog waste on the ground, and we'll dispose of it. You must still comply with the Association and Township rule of picking up and disposing of all dog waste. If we find that people are not complying and more feces are being left on the ground, necessitating more clean-ups, we may have to increase the fee in upcoming years or eliminate pets completely. **BUT**, if we find that the dog owners are complying and picking the feces, the Board may be able to rescind the fee in the future if we no longer have to pay for clean-up.

You must register your dog(s) by May 15, 2024 You will receive a tag indicating that you registered. Failure to register your pet by that date may result in additional fees being assessed to your account.

Please complete the attached registration form and mail it back with your payment to: Madison Place Condominium Association, P. O. Box 1106, Voorhees, N. J. 08043.
