

Midwestern Police Canine Training and Trials

July 27th, 2019
2800 S 12th St, Bismarck

Members of the National Police Canine Association's North Central Region would like to invite family, friends and businesses to support us at our 3rd Annual Midwestern Police Canine Competition. This will be a rare chance to see your local canine units compete against each other in an obedience and tactical course. It will give you a chance to observe our local canines jump over high barricades and take down a violent attacker.

We will start at 11:00 AM so show up a little early to grab a good spot. We will be selling t-shirts and raffle tickets for a chance to win prizes donated by local merchants! Cash and credit accepted. These donations go back into our regional training fund for next year's competition and training. There will be **FREE** lunch for attendees with hot dogs & water. Hope to see you out there!

Rain or Shine • Donations Welcome • Bring Lawn Chairs
