Young Leaders Appointed at St. Lawrence International School Investiture Ceremony

St. Lawrence International School conducted its much awaited Investiture Ceremony on 24th June 2026 with great enthusiasm. The ceremony marked the appointment of the newly elected Student Council members, who pledged to fulfil their duties with dedication, discipline, and responsibility.

The event began with the march-past and speeches by the Principal and the Vice-Principal. The newly appointed leaders were honored with badges and sashes by their respective parents in the presence of teachers, students and other parents.

The Student Council members appointed for the academic year are:

Head Boy: Keerthan Gowda S.V

Head Girl: Aayushi Uppam V

Discipline Minister: Ishitha

Cultural Secretary: Lishitha Patel

Sports Captain: Aysha Labibah Saifulla

Green Stallions Captain: Irram Fathima

Green Stallions Vice-Captain: Rohan Gowda

Orange Dragons Captain: Janika Deepak

Orange Dragons Vice-Captain: Tooba Maryam

Red Raptors Captain: Yona Daksh

Red Raptors Vice-Captain: Aakarsh M

Blue Panthers Captain: Bhoomika

Blue Panthers Vice-Captain: Saanvi Pramodh

The ceremony concluded with the national anthem, inspiring students to follow the values of leadership and teamwork.

World Music Day

Our school campus came alive with rhythm and melody on June 21st as we celebrated La Fete de la Musique (World Music Day) with a spectacular special assembly on the football field. The event was a beautiful reminder of how music unites us all, showcasing incredible talent from both students and faculty.

The celebration kicked off with graceful dance performances following that, our student vocalists took the stage. The real highlight however, was the surprise band performance led by our very own school music teacher. Seeing our teacher rock out on stage brought a wave of cheering, closing the celebration on an unforgettable high note!

SIP Abacus

A SIP Abacus Test was conducted for primary school students at St. Lawrence International School to evaluate their mental arithmetic and calculation skills. The students participated with great enthusiasm and demonstrated their ability to solve mathematical problems quickly and accurately using abacus techniques. The test aimed to improve concentration, memory, and numerical skills among young learners. Teachers supervised the examination and encouraged students to perform their best. The event provided an excellent opportunity for students to showcase their knowledge.

Tug-of-War Showdown: Grades 1 to 11 Pull Together!

What a Saturday it was! On June 20th, our Grades 1 to 11 students took to the field for an action packed Tug-of-War competition. From the first whistle, the energy was contagious little feet planted, hands gripping tight, and cheers echoing everywhere. Beyond the pulls and tugs, what truly stood out was the teamwork, encouragement, and pure joy on every face. Winners or not, every child gave it their all and showed incredible sportsmanship. Huge congratulations to all our young champions you made us proud! And a big shoutout to our teachers and staff for making this event a huge success.

World Environment Day

Together for a greener tomorrow!

World Environment Day was celebrated with active participation across all grades. The programme began with the symbolic planting of saplings by the Principal and the Vice Principal, setting a meaningful tone for the occasion. A young student then addressed the assembly with a thoughtful speech on sustainable living, followed by a lively quiz for all the grades.

In the days that followed, Classes IX, X, and XI undertook a nature walk, deepening their awareness of biodiversity and conservation. Kindergarten children also joined in for the cleaning drive, where they realized that even small changes can make a difference.

Together, these activities blended awareness with action, highlighting the school's commitment to nurturing young voices.
