VOLLEYBALL

SPRING AND SUMMER 2021

We are excited to offer two volleyball programs during the spring and summer 2021:

Grass Volleyball

This will be traditional 6 vs 6 volleyball, played outdoors on grass courts. There will be one game/practice day per week. This program is limited to existing Chaos Athletes who will be playing on our competitive teams in the fall of 2021. Cost of grass volleyball is \$25.00 per player for the season. The grass volleyball season will run for 12 weeks, beginning the second week of May to the end of July.

Beach Volleyball

Beach volleyball will be traditional 2 vs 2 volleyball, where players will register as a team of 2 and compete against our other teams throughout the summer months. There will be one game night per week. There will be ongoing standings posted each week as well as a playoff tournament. Cost of beach volleyball is \$50 per player (for existing Chaos Athletes) or \$150 for new athletes. The Beach season will run for 10 weeks, starting the last week of May.

*Summer programs fill up quickly. Register early to avoid any disappointment.
