

# head south where history & natural beauty abound

Discover far-flung tropical islands steeped in history and color in the southern Caribbean. Here is where flocks of flamingoes roam and below the turquoise waters you'll find a world teeming with exotic sea life. Enjoy the colonial influences that date to the Age of Exploration, along with the friendly local charm that greets you. Venture in search of emerald diving pools, waterfalls and secluded natural hot springs. Sail with Princess, named "Best Cruise Lines in the Caribbean."
